

CRANBOURNE EAST SECONDARY COLLEGE

Dear Parents/Guardians,

In early Term 3, current Year 8 students will commence the course selection process for 2022. In preparation for subject and program selections, students will have an information assembly during the first week of Term 3 where subjects, special programs, selection processes and key dates will be explained.

In addition, in order to provide families with specific information regarding the subjects and programs on offer, the College will be holding an **information evening on Thursday 15th July**. All Learning Areas will have a display in the Gym from 5.30 pm to 7.30pm. This will enable you to discuss the relevant subjects, pathways and programs on offer with various staff members.

Year Level Leaders and Special Program Leaders will be also be providing specific information sessions on the Year 9 Program as follows:

Year 9 Information Session

Session Time - 5.40 to 6.00pm
Location - Theatre

Special Program (STEM and Sports Pathway)

Session Time - 6.50pm to 7.30pm
Location - LRC

If your child is also interested in being part of the STEM (Science Technology Engineering Mathematics) or SPP (Sports Pathway) Programs it is important you attend the above session as it will provide specific details regarding selection processes, entrance requirements and program specifics.

Further information will be sent out at the start of Term 3, however please note the following important key dates for 2022 subject selection:

	Application Forms Available	Application Forms Due Back
Special Programs and Enrichment Classes Subject Selection	19 th July 2021	30 th July 2021
Year 9 2022 General Subject Selection	26 th July 2021	2 nd August 2021

I look forward to working with you and your child through this process.

Yours Sincerely

Penni Roe
Assistant Principal - Years 9 & 10
